

31st January 2022

COVID-19 Update: Moving to Red Traffic Light Framework

From Sunday 23rd January 11:59pm, the Government has moved New Zealand to the **RED Traffic Light Framework**.

Not too many changes for our club as we can meet all the Government requirements under RED, by being a mandated facility.

- If you have not uploaded your Vaccine Pass to your Friendly Manager Profile, please do so. We can scan on arrival, but this will save time.
- ****New Regulation**** Year 4 and up must wear a mask arriving to our gym and leaving. Athletes will leave their mask on until their training time. ***Please bring your own mask, your child will be sent home if they do not have a mask.***
- Bring everything you need in a zip up bag, please bring your own drink bottles.
- Sign in at Front Door (Admin Building) and when you enter our Building. QR Scan Codes are in place. Please do not come to class early as this creates more people in the building. All parents/caregivers to wear a face covering if entering the building.
- Staff and Coaches will continue their high standard of cleaning. There will be hand sanitizer available on arrival, please continue your good hygiene practice, washing hands and drying. Sneezing and coughing into elbow.
- Listen to coaches and respect others space. Please keep out of other people's space. We will try to keep children distanced from other groups where practical.
- Pick up is at the side door (in front of the Basketball courts/our main car park) Please be on time. Parents/caregivers to wear face coverings while they wait.
- Gymnastics Waitara has a zero tolerance to illness. If any of our staff or members are feeling unwell/sick, we please ask you not to come to gym.
- Parents will not be able to stay, only drop off and pick up. We have limited numbers, ***if you need to stay prior arrangement must be arranged with me.***
- Let's keep all our members and our community safe.

Hayley Jury
Centre Manager
