## March Newsletter 2022

### UPDATED COVID TRAFFIC LIGHT

Since Friday 25th March 11:59pm all indoor venues now have a revised capacity of 200 people. There is no requirement to scan our QR Code on entry to our Gymnasium however these will still be displayed for those that still wish to continue this practice.

You are still required to wear a mask in our Gymnasium and Foyer. Please respect the Foyer and the regulations in this room. If you need to use the toilets while waiting for your child please walk down the hallway on the entrance side. No children are to be left unattended or running around. This is a workplace for others and we need to be mindful of them. We currently are still using Vaccine Passes to enter into our Gymnasium.

From 11:59pm on Monday 4 April 2022 Vaccine passes won't be required.

We appreciate your continued support and patience while working through these regulations.

We appreciate you sticking with Gymnastics Waitara

If you do test positive or someone in your household does, everyone must isolate for seven days. Find out more here:
